# About the Camp

The **VHSL Basketball Officials Camp**, now in its **28<sup>th</sup>** year, is a teaching camp geared totally toward individuals who want to improve their skills and become better officials. NFHS 3-person mechanics are taught and utilized at the camp. The camp is staffed by VHSL officials, many of whom have experience at the VHSL State Tournament and collegiate levels. Guest speakers will include highly successful VHSL officials and commissioners as well as officials and supervisors from the NBA, and the ODAC, ACC, MEAC, CIAA, and USA South conferences.

This is an excellent camp for any official who wants to improve or refresh his/her officiating skills, but is especially good for individuals who

- Have never been to an officials' camp -- this is a great "first camp."
- Have completed one or two years of high school officiating and would like to begin refining their skills.
- Have completed three or more years of high school officiating but feel "stuck" in the advancement process.
- Have financial limitations or professional obligations that make other camps cost or time prohibitive.

Comments received from past campers include:

- *"This is the BEST EXPERIENCE that I have had in my 6 years of doing games."*
- *"Camp was very informative, educational and fun. I would recommend it to fellow officials."*
