

Virginia High School League

The Virginia High School League's Publications Evaluation Service aims to facilitate improvements in member school publications. Publications are evaluated by independent, out-of-state judges who are typically nationally recognized award-winning advisers or educators, often hold Certified Journalism Educator (CJE) or Master Journalism Educator (MJE) distinctions, and are therefore considered experts in their field. The evaluator's comments and suggestions should be used primarily as guidelines to increase the effectiveness of your scholastic publication.

Requests for a reconsideration of results must be made in writing using this form. Requests are generally only granted given these two scenarios:

- Incomplete Evaluation**—Judge did not provide any feedback
- Miscalculated Results**—Check marks do not "add up"

Please note that disagreeing with a judge's evaluation is not grounds for a re-evaluation or recalculation of results.

If your evaluation was incomplete or your results were miscalculated and you are requesting a reconsideration of your results, please (1) check the appropriate box above, (2) provide as much information as you feel is necessary to justify your request, (3) fill out the information below, (4) and send this form along with a copy of your evaluation to us via e-mail, mail or fax.
