## STATEMENT OF PURPOSE

The purpose of the Virginia High School League's Publications Evaluation Service is to facilitate improvements in Virginia high school publications. The evaluator's comments and suggestions should be used primarily as guidelines to increase the effectiveness of your scholastic publication.

Your evaluation is a critique from another qualified person's perspective. That perspective includes many variables: education, experience, trends and even subjective preference. When submitting a publication for critique, there is an expectation of acceptance of results, whether or not you agree with or choose to implement them.

VHSL awards are presented annually at the VHSL Regional Media Championship. Publications are evaluated by out-of-state evaluators who are experts in scholastic publications: Ava Butzu, Alexis Campion, Kathy Craghead, Melissa Dixon, Allison Floyd, Donna Griffith, Nancy Hastings, Ken Henderson, Carole Henning, Deborah Mayer, Amy Morgan, Wayna Polk, Jane Robbins, Brian Thies, Anne Whitt, Lori Wilken.

VHSL recommends that you submit your publication to other evaluation services in addition to the League's for additional comments and suggestions.

## PUBLICATIONS EVALUATION SERVICES ENTRY POLICY

Yearbooks submitted for entry in the VHSL Publications Evaluation Services are considered officially entered only if the following conditions are met:

1. The VHSL Publications Evaluation registration form has been completed.
2. One copy of the yearbook produced that school year has been submitted.
3. The correct entry fee accompanies your entry.
4. Your entry is RECEIVED by the June 15 deadline. Summer and fall delivery yearbooks may be submitted until Sept. 30 if the June 15 deadline for registration and fees has been sent.

For additional information contact VHSL at 434-977-8475 or by e-mail at [lgiles@vhsl.org](mailto:lgiles@vhsl.org).

**STUDENT PUBLICATION:** Work on a student publication should be one of the most challenging academic experiences a high school provides. Students not only learn to write for a real audience from original research, they receive training in editing, layout and design, photography, computer skills and business management. Beyond that, personal growth is achieved in responsibility, dependability, leadership, teamwork and ethical decision making. The product should be student produced, under the training and supervision of the adviser and other professionals. Since the purpose of the VHSL's program is to encourage schools to produce quality student publications, work done by individuals other than students at your high school must be clearly identified.

**SPECIAL NOTE:** No publication will be rated, nor will it receive an award if it uses obscene graphics or language (whether obvious, coded or disguised). No publication containing plagiarized or libelous material will be rated, nor will it receive an award. Publications should indicate that permission was given for use of copyrighted material (for example: used with permission by Associated Press).

**REVISED: December 2015** by VHSL Scholastic Publications Advisory Committee members Heidi Craft (Atlee HS), Taren Meekins (Glen Allen HS), Shelly Norden (Kettle Run HS), Beth Skaggs (Osborn Park HS) and Susan Sullivan (Oakton HS). Lisa Giles, VHSL assistant director, facilitated the process.

## GENERAL STIPULATIONS

On the following pages the evaluator will mark "Superior," "Excellent," "Good" or "N/I" (Needs Improvement) for each specific point as it pertains to your publication.

The categories are as follows:

1. Concept
2. Coverage
3. Design
4. Writing
5. Photography

The evaluation in each category will be separate. Yearbooks will also be rated in each category as to the overall quality of work relating to that evaluation criteria:

Superior / Excellent / Good / Needs Improvement

The rubric shall be used as a guide, not a score card. Evaluation is not based on a point system. The check marks denoting Superior, Excellent, Good and Needs Improvement are ratings, not rankings. Ratings are defined as relative standings. Therefore, the final cumulative ranking given to the publication will be based upon, but not necessarily equal to, the number of Superiors, Excellents, Goods and Needs Improvements given to the publication.

## RESULTS

Good sportsmanship is expected of all VHSL activities participants and includes conduct becoming to a participant and graceful acceptance of results.

If you have legitimate concerns with the results of your evaluation (e.g. your evaluation is incomplete), the League may review your evaluation. Please provide the League with a detailed letter stating your concerns and a copy of your Evaluative Criteria Booklet via e-mail, mail or fax within 14 days of the posted results.

Please note that disagreeing with the judge's findings is not justification for review and remember that the primary purpose of an evaluation is to provide information to a staff that will help it to improve its publication. Awards are secondary.

## EVALUATOR: QUESTIONS AND SCORING

Please mark SUPERIOR, EXCELLENT, GOOD or N/I (NEEDS IMPROVEMENT) for each SPECIFIC POINT as it pertains to the publication. Include under the COMMENTS FROM THE EVALUATOR section any ideas or suggestions you have for improvement as well as praise for those things well done. When you have completed the entire section, please circle a rating based on your overall assessment of the quality of that section.

We do expect that final ranking--Trophy Class, First Class, Second Class and Third Class--will match up with a majority of Superior, Excellent, Good or Needs Improvement ratings. If it does not, please provide specific justification to help advisers and staffs to understand your conclusions.

**IMPORTANT NOTE:** Coverage criteria are listed according to traditional yearbook sections; however, traditional sections are not required. All of these areas must be covered within the book, regardless of organizational structure.

Unless otherwise noted, "photograph" should be interpreted as unposed action shot.
