

Region 6A Notes from March 13 at Doubletree Koger Center

Financial Report was presented and accepted. Only football and volleyball are showing profits; all other sports (cheer, cross country, field hockey, golf) are showing losses.

Football- showing \$48, 415 profit, but this does not include the 35% owed to the VHSL (\$16, 945). We will only profit \$31, 469 from football. Compared to Region 6a North, they will profit over 240,000 from football alone.

Still many concerns over travel in Region 6A South- it is becoming a reality. Many cities are not so receptive in hosting because of the new alignments.

Regional basketball will take a significant loss at the Siegel Center; home sites for semis and finals are becoming a possibility.

Question about a yearly buy-in for the region- Kevin Adams (Varina) brought up a question about getting money back for possible realignments due to new enrollment numbers. Varina and Bayside raised their hands for possibly dropping to 5A when the new numbers are posted.

Sport Reports:

Field Hockey- no report

One Act- Grassfield (winner) with First Colonial (runner up); loss of 1000.00 reported

Forensics- Patrick Henry-Roanoke winner

Lacrosse- Patrick Henry Roanoke- hosting; lacrosse and soccer need to be kept separate; Conference 8 will be included and money will be shared similar to volleyball

Baseball- regional first week of June (higher seeds)

Softball- regional first week of June (higher seeds)

Soccer- regional first week of June (higher seeds)

Track- no report

Tennis- Kevin Adams (Varina) has sent numerous emails about dates and times; region needs to be done by June 7

Spring events- scheduled for June 2.4 and 6 (Saturday, June 7 being a makeup date); graduation for some schools will fall into this time period so the region will work around conflicting dates.

Baseball Pitching concerns- Region 6A had no representation on committee; no explanation provided by VHSL

Film Festival- concerns about money at this point. As it is currently written, Region 6A will not support. Worthiness and standards will be approved by the principal.

Pole Vaulting- not getting rid of

Basketball- concerns about too many days between games- no support as seen by crowd attendance-

VHSL Foundation- possible money coming back to the region if certain goals are met.

NEXT MEETING: JUNE 18 10:00 am at Varina High School
