

Crystal Worley and Chip Boone were introduced as the new DSAs at Franklin County and James River High Schools. Wes Bergazzi will be retiring from his position at Stafford High School.

Financial (Sal Colangelo)- only volleyball and football made money this year

*** guessing end of year total of 15,000 to 20,000 after paying out travel and VHSL commitment

*** motion to pay bookkeeper, Donna Butwill, at CD Hylton \$1500 for each season (\$4500 total)- motion passed

*** Handbook Addition- proposal: All tournament site reports and CC tournament directors to be sent to the treasurer.

Lacrosse- Conference 3 will be adding three teams (Thomas Dale, Cosby, and Franklin County)

Basketball- recommended to stay at individual sites/ do away with Siegel Center as the regional site

*** Concerns about regional matchups- not always best teams are advancing/ Football reseeds, why not the other sports? Competitive standpoint makes sense; financially can't afford it.

*** Proposal by Ted Salmon, Cosby High School- each conference pick a representative to look at this:

Conference 1- John Williams

Conference 3- Ted Salmon

Conference 2- ?

Conference 4- Sal Colangelo

*** Proposal- Follow VHSL format if a team is unable to compete (passed)

Shawn Knight- spoke about realignment and upcoming meeting- 36 schools will be moved and discussion about the 10% buffer
