VHSL WELLS FARGO CUP WINTER ATHLETICS STANDINGS ANNOUNCED

George Wythe-Wytheville, Maggie Walker, Blacksburg, Jamestown, Princess Anne, and Oakton lead Wells Fargo Cup Athletic Standings after winter championships

CHARLOTTESVILLE, VA — George Wythe-Wytheville, Maggie Walker, Blacksburg, Jamestown, Princess Anne, and Oakton sit atop of the Group standings following the winter sports season. Blacksburg (3A) is the only leader from the fall season still holding the top spot in their Group standings. Blacksburg continued its season-long dominance with an impressive winter, while Maggie Walker is looking to win a fourth straight Cup and Oakton (6A) is aiming for a third Cup in five years. Jamestown (4A) is a previous Cup winner, while George Wythe (1) and Princess Anne (5A) are hoping to hoist its first Cup.

First awarded in 1990, the Wells Fargo Cup goes to the school in each group classification that has achieved the best overall record in VHSL state-level competition in 27 sports – the state champions' state champion.

Cups are presented for athletic and academic activities to the top school in each of the League's enrollment groups.

The winner of the Wells Fargo Cup is determined by a point system based on performance in state championship events. Points are awarded for all sanctioned sports in the following manner.

First place	50	Fifth place	30
Second place	45	Sixth place	25
Third place	40	Seventh place	20
Fourth place	35	Eighth place	15

In the event of a tie, the schools received an equal number of points based on the number of schools that tie and the number schools that finish higher in the standings. For example, semifinal losers split third and fourth place points (37.5 points each).

Schools earning the League's Sportsmanship, Ethics and Integrity Award earn 50 points each.
