

14th Annual

University of Phoenix/VHSL Student Leaders Conference

ATTENTION PRINCIPALS OR ATHLETIC/ACTIVITIES DIRECTORS

You are invited to send a delegation to the 14th Annual University of Phoenix/VHSL Student Leaders Conference at Dominion High School in Sterling on Friday and Saturday, April 16 and 17, 2010. We are confident that this year's conference will present an outstanding opportunity to develop student leaders within your school, whether they're athletes or academic activities participants. If your school has never attended, don't miss the opportunity to participate! Coaches will also find worthwhile sessions, and we encourage them to register, as well!

A major highlight of the conference has always been its keynote speakers, and this year we have three incredible individuals to entertain and inspire you. Opening the conference Friday will be [Stephen Bargatze](#), the internationally acclaimed comedian, magician and motivational speaker. David Rhodes, Coordinator of Student Activities for Virginia Beach City Public Schools, will conduct "SpiritWorks" on Saturday morning, and [Keith Nord](#), former Minnesota Viking, will present Leadership. Closing the conference, we have educational consultant and motivational speaker [Larry Bell](#).

In addition to the general sessions and presenters noted above, the conference includes many individualized workshops and idea exchange sessions designed to be directly applicable to your school's needs, opening evening entertainment and a chance to meet with other student leaders and advisers from across the state.
